

Risk Management

- The educator will go over all safety issues at the beginning of your visit to the Canaan Honey House.

Expected Behaviour

- Need to always follow teacher's instructions.

Recommended clothing

- Footwear, preferably not sandals. Sunhat and Sun Screen.

Bee Stings

- Teachers need to find out if any students have any severe allergic reactions to bee stings and if so we recommend they do not come.
- Medication is available and procedures are in place in case of bee stings.
- We suggest strong perfume is not worn as this attracts the bees.

Post Visit Teacher Resources

- Candle making instructions, beeswax sheets and wick can be purchased from our shop.
- Recipes for honey caramel popcorn, honey biscuits and skin care cream.
- Guidelines for designing an advertisement and product labels.
- Web sites for more information about the honey bee.
